Take a quick look at the scores of the various teams, and then we will talk about them a little bit. You will note that the varsity broke even with four wins, four losses, and three ties. All in all, the season was fairly satisfactory. We knew we didn't have a world beater to start with, and we feel that the boys did better than the pre-season dope would have al-

Alumni Expect To Raise Memorial Sum

This Was Decided on Home-Coming Day.—Ed Flowers Named As Alumni President

Alumni of the Presbyterian Orphans' Home attending the annual Home-coming here on Wednesday, Nov. 24th, decided to inaugurate a memorial fund to be used in the proposed new church and educational building at Barium Springs, elected officers for the next two years, attended a luncheon at Rumble Hall at noon, held a short meeting after lunch, visited the various places here which is home to them, and witnessed a

(Continued On Page Three)

lowed them. At times they played inspired ball; at other times, they missed opportunities of being victorious by a very narrow margin.

The first game was in Charlotte, opening the season in the Memorial Stadium; Harding was the opponent. Harding at that time was believed to be the strongest Charlotte high school team. Harding rated as favorite, but Barium outplayed them, threatening more than Harding threatened. The closest Harding approached the goal was 15 yards; we were four times within their 10-yard line, but lacked necessary punch to score.

The following week at Albemarle, Albemarle was clearly better than we were that night. We were lucky to come out with that small margin of defeat.

The following week at Thomasville, we came into our own, defeating Thomasville in the second half, 18-0. It took one half for us to find out that we were stronger than they.

The following week Children's Home came from behind to defeat us 18-13. We might say we were lucky in that game in that we scored one touchdown on a sleeper play, another touchdown on an intercepted pass, doing all of this scoring within two minutes. Children's Home made all three of

(Continued On Page Two)

Government Bonds for Church Climb \$2,800

Decided Gain Shown In Such Securities Within 23 Days.—Some Large Gifts

Between November 16th and December 9th there was an increase of \$2,800.00 in government bonds and \$21.25 in cash for a contemplated church and educational building to be constructed at Barium Springs some time after the war concludes and when sufficient money is in hand for this purpose. This means that on December 9th, in the possession of the treasurer at Barium Springs were \$24,500.00 of government bonds and cash of \$56.55 toward the next purchase.

There was only one bond sent direct to Barium Springs, but there were three substantial contributions in money that were promptly invested in bonds, besides a host of smaller memorial contributions in honor of loved ones and friends.

The bond sent direct was a \$100.00 Series G bond properly made out to "The Regents of the Orphans' Home, a corporation, Barium Springs" and was sent by Miss Minnie Farrior, of Raleigh,

(Continued On Page Three)

Bulletin.

While less than half of the Churches and Missions in the Synod of North Carolina had filed their completed 1943 Thanksgiving Offering reports with officials at Barium Springs by December 9th, the day this article is being written, yet the unqualified prediction is made that the final total for the season is going to exceed considerably the 1942 peak of \$56,013.38.

On the morning of the ninth, 226 reports had been completed, and very close 50% of the churches and missions—112, to be exact—already boasting of their greatest Thanksgiving Offerings since 1925. Most of these would easily be the best for all time if the records prior to that year were checked. Of the completed Offerings in the hands of Barium, 183 had shown increases, leaving but 43 that had given less than in 1942.

There is no reason to believe but that this trend will continue as the remainder of the Thanksgiving Offering is daily received and recorded. Since less than half of the reports are finished, no prediction is being offered this month as to the final aggregate for Thanksgiving of 1943.

Major James Johnston Receives Two Awards

Silver Star and Legion of Merit Given Son of Barium Superintendent

From The Statesville Daily:

Mr. and Mrs. Joseph B. Johnston, of Barium Springs, have received the Silver Star, awarded to their son, Major James D. Johnston. Major Johnston has also been awarded the Legion of Merit medal but this has not yet been sent home to his parents.

The Silver Star is a citation given to Major Johnston (at the time

(Continued On Page Three)

Good News

Warsaw Sunday School in Wilmington Presbytery is the latest Sunday School to become a "once-a-monther", having instituted an offering per month for Barium Springs on the first Sunday in November. A check for \$25.00 has arrived for November and December together. At this rate, Warsaw is also going to be a member of the \$100.00 Club in 1944-1945. When 12 gifts are received, for only three more months remain in 1943-1944.

The number of Sunday Schools regularly helping Barium Springs, either by a response once a month or on the fifth Sundays, is now nearing 300, which represents a majority in the Synod.

Since 1943-1944 started, eight Sunday Schools have inaugurated the Offering-per-month plan, and it is conservatively estimated that the eight together will average \$75.00 monthly, or \$900.00 more in a full year's time.

SHALL THERE BE ANY GOOD NEWS ITEMS FOR JANUARY'S MESSENGER?

Income Taxes — And Barium Springs

Within a very short time individuals and business firms will be checking up on their contributions of 1943 to see how much more they have available for giving to various causes before the close of the year. As this was done toward the close of 1942, several substantial checks were forwarded to Barium Springs without any solicitation from the Home or any awareness that Barium Springs was to be the recipient of those gifts.

This thoughtful action on the part of some in the closing days of 1942 has inspired the writing of this article to commend this Home to any individual or business firm making a distribution of gifts in the waning days of this year.

It may be, too, that the donor would like to designate a specific use of the gift, and some suggestions are offered for these special donations. It is known that some are primarily interested in the immediate operation and prefer that their gifts be so used. Some are known to be interested in the proposed church and educational building (if you want your gift in memory of some one individual or individuals, that information can be furnished to Barium Springs) and still others are interested in a permanent endowment fund for the Home. With these three things in mind, the following is for your convenience:

Ernest Milton, Treasurer,
Presbyterian Orphans' Home,
Barium Springs, N. C.

Enclosed is check for \$-----, to be used as indicated below:

- () For operating income.

Paul Burney Is Named Most Valuable Player

Announcements of Other Selections Made at Football Banquet on December 3rd

With W. A. Hethcox, principal of the schools here, as the efficient toastmaster, a banquet was staged at Barium on Friday night, December 3rd, in honor of the several football teams which have represented the Presbyterian Orphans' Home in the past season. It was an informal affair, with a few outsiders as guests from Statesville, Davidson, Troutman and other nearby points.

At the close of each season the Barium varsity players select certain of their players, for particularly outstanding performance. It was announced that Paul Burney was the unanimous choice as the most valuable on the team; Bill Tyce, the center, was selected as the best blocker, and Hervey Stricklin was named at the best

(Continued On Page Three)

The 25th Church

Anyone counting the number of leading Churches in the Thanksgiving season of 1942, as they appeared in the November issue of The Messenger, would have found that 24 churches and their offerings were tabulated. The missing one was Rocky Mount First, which gave \$508.09 as its 1942 Thanksgiving Offering.

The type on this article was prepared for the October issue, but was held over for November. In all of the rush, the line revealing that Rocky Mount First was among those 25 disappeared, and the error was made in not making a last-minute re-check to see that all 25 were listed.

It is a pleasure to call this omission to the attention of readers, and an apology is being offered the Rocky Mount First people who were generous enough to be included in that tabulation.

News From Some of the Cottages at Barium

HOWARD COTTAGE

Hello Folks,
Here we are back with you again. We sure did have a swell Thanksgiving. We really enjoyed the show "Girl Crazy." We wish to thank Mr. Johnston for letting us go.

We sure do hate to see football over with, for we looked forward to every other Friday to a ball game. The last game was a swell one, but we are sorry our boys couldn't claim full victory. There's one good thing to the ending of football. We get to play basketball right down to the first grade.

Now that winter is here, we see jack frost every morning.

We have been having lots of fun cleaning up the leaves. You should see us 28 and the 27 Annie Louise girls with brooms. Boy, we can go after those leaves. It doesn't take long. If you want your leaves raked up just let us know. Ha! Ha! Don't everybody ask us at the same time.

We were very glad to have the boys and girls back with us last Wednesday. Just about everyone had a baby. We enjoyed hearing them cry out. Say, boys and girls, don't wait 'til next Homecoming to come see us, for we are always glad to see you.

Miss Burgess was gone last week-end. We really enjoyed Miss McNeill being with us. We had a scrap drive, played games, and told stories. We wish to thank Miss Burgess for those pecans. They were paper shells and we could really get to them.

We wish to thank Miss Inman for the candy and chewing gum.

We had just three girls this month on the honor roll. I guess we were thinking too much about Thanksgiving and writing the Christmas letters. They were Hazel Creech, Louise Campbell and Shirley Inman. By the way, I guess by now Santa has gotten most of our letters. Most of us are Scouts. You will see we asked for Scout articles. Let's hope Santa can find those Scout things. If he can't, we will be proud of anything he can find this year, for we know that Santa has gone to war.

One of our little girls, Hazel Creech, went to Winston-Salem on November 21st to represent our cottage. She visited in the home of Mrs. Miles. She surely did have a nice time.

The following girls had visits this month: Shirley Inman, Louise Campbell, and Carolyn Wicker. All of us had a visit from a couple of Whiteville friends, Hubbard McGirt and Jack Moore. Jack is in the Navy now. Good luck, Jack and hurry back.

By the time we write you again Santa will have been and we hope that he won't forget anyone. We hope he is good to all of you.

Well, so long, Merry Christmas and Happy New Year.
—The Bean Stringers

BABY COTTAGE

Of course we have our new shoes, girls! Mr. Lowrance, somehow or other, packed us all in the station wagon, and took us to Belk's store in Statesville, and they fitted us with the prettiest brown shoes, and are our feet stuck out, now!

They gave us marbles, puzzles and tops, too. We had a grand time looking 'round in the store at all the pretty things.

Idell Andrews thought the little boy showing the pretty underwear should hurry and get his clothes on, because he might get cold.

Johnny Collins went to the second floor and when he came down he said, (all puffed out, too) "Uh, huh, I got to ride in the 'alligator' and you didn't."

Clyde Andrews carried his shoes 'round all hugged up like a doll, and when he finally agreed to put them on on Saturday morning he grinned and said "Now, ain't I pur-ty!"

Charles Bowles put his in the box and sat down on it. He didn't want to go to bed at all, and it night.

We're the proudest set of boys in the state 'cause "we got shoes!"

We've been to Mooresville, too.

The ladies of the First Presbyterian Church Auxiliary invited us to go and tell them something about ourselves. We also sang them some songs. Mrs. Massey, our matron, and Miss Green, our music teacher, went with us. Mr. Lowrance put us in the station wagon that time, too. We're still talking about the good time we had. They gave us a fruit shower, a whole crate of oranges, and more besides and some candy, and then they gave us ice cream at the ice cream place. We saw the pretty Sunday School rooms for the little folks. They let us play the piano and look at the pretty things. We think they liked us 'cause they invited us to come again. We were so happy. Hope we do get to go again sometimes. So many people were so good to us.

Miss Stowe of Belmont brought a box of candy-lots of pieces in white paper tied with little green ribbons. Miss Stowe said the Business Woman's Circle No. 2 of the First Presbyterian Church there sent it, and you know, candy suckers were in that box! We get some of it once every day. We've had oranges and candy, just like Christmas.

Some ladies from near Monroe came to see us and each brought a package of chewing gum. We like to chew gum.

Jerry Thomas has a football and we play with it, but we mustn't kick it too hard.

Bobby Frye and Boyce Smith kick so hard they miss the ball. Their feet go the wrong way.

Mr. Inman sent some candy and chewing gum to his little girl, Linda, and sent enough for everyone of us. We're just so sweet and sticky there's somebody with an old wash rag behind us all the time, and we can't run fast enough to get away from it either. You know, don't you, that children just hate soap and wash rags?

The Sand Man is coming, so goodnight everybody.

The Babies

RUMPLE HALL

Hello Friends,

Many nice things have happened to us lately. Mr. Stowe and his lovely cousin visited us Homecoming day and brought us two large delicious cakes. We enjoyed them very much.

We enjoyed the splendid Thanksgiving service arranged for us by our beloved pastor, Mr. Cook. After dinner we went to see a show, "Girl Crazy" in Statesville. Mr. Johnston, who is always so thoughtful of us, planned for us to go.

Many of our girls have had an enjoyable week by going to different towns to give programs.

The Junior Choir went to Statesville to sing at a Social meeting at the Presbyterian Church.

Two of our girls, Elsie Vest and Kathleen Monroe, were on the

honor roll and the rest have improved their marks.

We are looking forward with eagerness to the Christmas Vacation; doubtless the teachers are, too. We won't mention our long-suffering matrons.

Good-bye until 1944.

Correspondent
Margaret Bullard

INFIRMARY

Hello Friends,

Here we are again, bringing you the latest news of the Infirmary.

There has been so much happening lately we hardly know how to word it.

Home-coming was a great day for us here at Barium, because we got to see a lot of the old Barium boys and girls. We had a good game with Kannapolis Home-coming day and tied 13 to 13. This brought our football season to a close. We have had a grand season of football.

Friday, November 26th, we had some friends to come and entertain us. We sure did enjoy it. We also enjoyed going to the show Thanksgiving day to see "Girl Crazy".

Well, Christmas is not far off and we will be looking for old Santa when he comes down the chimney with his pack. Watch out for Santa, and be good kids.

There have been very few sick children and we have been very lucky.

Betty Joe Smith had a visit from her relatives and she also made the honor roll. "Good going, Joe".

Lucille Smith and some other boys and girls went to Winston-Salem to talk on how we live at Barium. They had a grand time.

Amos Hardy, a patient, wants to write a few lines. "Go ahead, Amos".

Hello Folks, I am feeling fine and hope to be up soon. Everybody sure has been good to me and they must want me to be awful sweet from the candy I have been receiving. I sure have enjoyed all of the nice visits. "Thanks Everybody". —Amos

—Infirmary Girls

ANNIE LOUISE

Dear Friends,

Here we are bringing you the highlights of the news from Annie Louise Cottage.

We had a nice Thanksgiving. Some friends from Belmont sent us some candy. We want to thank them. We had our Home-coming on the day before Thanksgiving. Many of our old girls and grandchildren came back, but there were only a few boys. We played Kannapolis that day. It was a tie, 13 to 13, believe it or not.

We have already written Ole Santa. We wrote him early this year in cooperation with Uncle Sam.

We received our second report cards last week. We had eight girls on the honor roll: Jackie Porterfield, Louise Bradshaw, Pattie Inman, Mary Bowles, Letha Walker, Geraldine Katen, Margaret Hopkins and Carol Jean Andrews.

Mr. Johnston took us to see Mickey Rooney and Judy Garland in "Girl Crazy" on Thanksgiving Day. We surely did enjoy it.

Diamond Jim Speagle and his talking dummies came to entertain us last week. Have you met Tony "Hetheox"? And Jerry and Hervey? Well, they are two of Diamond Jim's gang. They really are "snazzy" folks. We actually believe they have more fun than people!

Well, hold on! It's time for Santa to be a-coming. You better be good. (Sh! Don't tell a single soul about this, but we really think he's in the army now). He traded his sleigh for a jeep. Rumor has it that Mrs. Santa will take up his work right where he left off, so in that case we don't have a thing to worry about there. We can't help getting excited and over-anxious when we talk about Christmas and Ole Santa, and it's so hard to wait. So, we'll sign off and you can bet your bottom dollar we will have plenty to tell you next time.

So long, Merry Christmas to all of you!

—The Annie Louisers

Resume of 1943 Football

(Continued From Page One)

its touchdowns the hard way, driving the length of the field for they were evidently the stronger team, but we might have held on to our one-point margin of 13-12 and thus obtained the victory over the team that later became the South Piedmont Conference Champions. In Asheville we were entirely

Alumni News

MARRIAGES.

Roach-Goodnight.

Miss Mary Ethel Goodnight, of Mooresville, was married on November 3rd at El Paso, Texas, to Sergeant Arthur W. Roach, of the Army Air Corps. Sgt. Roach was graduated from Barium in the class of 1941, and had attended Davidson Cottage for a year and a half before going into partnership with Uncle Sam in the business at hand. Mrs. Roach has returned to Mooresville and the Barium graduate now has an APO number.

Allen-Howe.

Mary Parks Allen, of Charlotte, was married on October 19th to Staff Sergeant Walter F. Howe, of Scranton, Pa., and the U. S. Army. The marriage took place at Langley Field, Va. Mary Parks was graduated from Barium in 1942 and has been working in Charlotte. Sgt. Howe has been transferred to the U. S. Army air forces at Salt Lake City, Utah, where he and Mrs. Howe are residing.

BIRTHS.

Corp. and Mrs. S. T. Williams of Arsenal, Delaware, announce the birth of a son, Billy Gray, on November 23rd. Mrs. Williams is the former Linda Culp.

News was recently received from Mrs. Irene Shannon Wie that a red-headed daughter was born about three months ago to Mr. and Mrs. E. E. Shanklin, of Radford, Va. Mrs. Shanklin is the former Ruth Shannon.

Mr. and Mrs. R. C. McLaughlin, of Charlotte, announce the birth of a daughter on November 13th. Mrs. McLaughlin is the former Avis Archer.

Mr. and Mrs. Leroy Thompson, of Concord, announce the birth of a daughter, Rebecca Sue, on November 22nd. Mrs. Thompson is the former Mildred Eudy.

NEW RECRUITS.

Roscoe Twombly, Eugene Bosworth, Scott Poole and Olin Briggance are four more alumni now in the service of Uncle Sam. The first two were here for Homecoming Day, Roscoe being slated to report to the Navy Friday after being here on Wednesday; and Eugene was to go into the Army following Monday. Olin and Scott have been in some time. Olin with the Navy and Scott with the air forces. This makes a total of 179 boys and girls directly connected with the fighting forces.

PROMOTIONS.

Promotions with which officials of Barium Springs have become familiar since the last Messenger include Leila Johnston to an Ensign in the Waves; Roy Wilson to Sergeant; Billy McCall to Corporal and William Wadsworth to private first class.

PERSONALS.

Many friends will be glad to know that Miss Frances Steele, formerly case worker for the Home here, is recuperating from a serious attack of neuritis. She has been a patient at the Garfield Hospital, Washington, D. C. and until she leaves her address is Room No. 7, CB-2 at the hospital.

George Faison has recently been taken under the care of Concord Presbytery as a candidate for the ministry. In preparation for his entering the Seminary he is now studying at Lenoir-Rhyne College and also working in Newton, where he makes his residence. After leaving Barium he worked in Statesville and later went to Newton. He is married and he and his wife have one child.

out of our class. Asheville beat us 32-0 through the speedy legs of two backs, Britt and Justice, and yet there were moments in that game during the second and third quarters particularly when we looked mighty good. In those two quarters we stopped those backs before they could get up to full speed. Those two quarters were scoreless.

At Lexington the team was somewhat upset over the loss of the captain and tailback, and it took them half of the game against Lexington to find themselves. During that half, Lexington scored six points. During the second half, Barium was much the better

team and pushed Lexington around everywhere except over the goal line. Barium missed two good chances to score.

Davidson B team, means the Davidson squad less their top 15 men. We won this game by a one-point margin due to the determination of one boy in making the last extra point. Paul Burney assisted in all of the scoring that we had this year; we think we should let him claim the Davidson game as his own.

Everyone realizes that the civilian colleges had teams composed of what was ordinarily high school material, and the Davidson B team played us on even terms. The Barium team was constantly behind in the game; Davidson scored two quick touchdowns at the beginning of the game, Barium scored one in the second period. Then after Davidson scored a third touchdown in the last period, Barium came back to score two quick touchdowns and win the ball game. This was probably the most interesting game on the list.

Statesville - Barium, a tie game for the first time in the long history of Barium - Statesville competition. Both teams knew just too much about the other's offense and took steps to stop it. Barium threatened in the first quarter; the rest of the game Statesville did the threatening. At one time a pass was made into the end zone, which looked as if a Statesville boy had caught it, but his basket had a hole in the bottom and the ball went on through. Their failure to win a victory was just that close.

Our game in Salisbury, was, as usual, one of those wide open interesting games from start to finish with one team making a touchdown and then the other team matching it, and so on. We finally emerged the victors by a score of 20-13 with the most spectacular touchdown being made by a former Salisbury boy, Fred Cole. Barium blocked a kick, John Ammons recovered it, ran ten yards toward the goal and when tackled, lateraled the ball to Fred, who went on for the winning touchdown.

At Morganton we defeated this good team 12-0. In that game, we resembled Salisbury the week before. In the Salisbury game, we many times gave Salisbury the ball through a fumble or an intercepted pass deep in our territory, but Salisbury couldn't score; however, they twice took the ball on their own ten and marched the length of the field for touchdowns. That's the way we were in Morganton; they would give us the ball deep in their territory and then take it away from us, but twice we marched the length of the field for touchdowns which gave us the victory.

Home-coming Day and Kannapolis: Barium has never been defeated on Home-coming Day; they have been tied twice, once with Belmont Abbey and once with Lees-McRae. We knew that Kannapolis was one of the strongest teams we were to face; they had an old Children's Home boy playing on it, and he was responsible for one of the touchdowns; Greene is his name. Kannapolis scored first and then in the last minute of play of the first half Barium scored two touchdowns: one, a forward pass to Ed Blake; another, an intercepted pass taken by Bill Tyce, who made his one and only touchdown in the final game just as several years ago, Dick Parrish did. Bill Tyce is center of our team. We entered the second half with a seven-point margin, but we couldn't hold it. Kannapolis was just too strong, and in the fourth quarter, they came through with a touchdown to tie up the score, and that is the Varsity story!

Now for the B team, which includes two regular 125-pound games: We found this year that so few people were getting out 125-pound teams that we joined the B teams and played altogether ten games. All of these games were interesting, in some respects more interesting than the varsity. Summing it all up, we beat Landis twice, China Grove twice, a whole mess of games with Concord, and one with Statesville. There are some good players on this team that makes us believe that next year we will really have some replacements for the varsity. Earl Allen acted as Captain for this team; Earl Adams was the tailback, receiving good assistance from Fred Cole, Wilbur Coats, and at the first part of the season, Ed Blake. The totals for this

Resume of 1943 Football
(Continued From Page Two)

bunch are six wins, two ties, and two defeats.

Our 100-pound team probably showed more consistent class than any group we had. They played eight games, winning seven, losing one. In some of the games, they gave the other team plenty of weight in order to make the outcome more even. The team played like veterans, and quite often members of this team played on the B team: Jack Clark in the backfield, Jack Jones at center. By the way, we might call this the "Jack Team" since Jack Caldwell and Jack Mangum also played on it.

The 85-pound team got in more games than any other 85 since 'way back yonder ten years ago. They played six games, winning four and losing two. It begins to look as if this 85-pound team is building up talent to really go to town later on. We don't know how good a memory you readers have, but about eight years ago you may remember how we bragged on a bunch of boys on the 85-pound team. They could do so many things well that we predicted many things for them. Well, just one year later, that team was christened "The Symphony in Blue"; a few years later they became the "Rhapsody in Gold" when they reached the 125-pound weight, and then some people called them the "Ragtime in Red" when they were varsity and state champions. Just stick around. We have some boys on the 85-pound who look a lot like those boys who made such a record. The war will be over when they reach the varsity, and who knows - Barium might again be state champions! We don't want to name these boys now, but we will preserve pictures of them to show you later on. All in all, our various teams played 35 games with teams from other schools. They won 21; they lost 9 and tied 5, not bad for a war season.

A gentleman traveling in a railway compartment was endeavoring, with earnestness, to impress an argument upon a fellow passenger who appeared rather dull of comprehension. Slightly irritated, he exclaimed in a louder tone: "Why, sir, it's as plain as A B C!"

"That may be," quietly replied the other, "but I am D E F!"

In Case Y O U Failed to Make Your Thanksgiving Offering the Blank Below Is for Your Convenience

MY THANKSGIVING OFFERING

Date _____

Ernest Milton, Treasurer,
Presbyterian Orphans' Home,
Barium Springs, N. C.

Dear Mr. Milton:

Enclosed is my check for \$_____

a personal Thanksgiving Offering to the Home.

Name _____

Address _____

- TWELFTH GRADE—Paul Reid, Bill Tyce, Grace Adams, Mary Alice Stevens, Betty Lou Williamson.

Government Bonds for Church
(Continued From Page One)

in memory of her father and mother, the late Mr. and Mrs. D. W. Farrior. In this connection, the interest to be paid twice a year on this bond will become part of the principal. The Home is purchasing the Series F securities, where the interest accumulates.

A \$1,000.00 check was delivered to Barium Springs on Thanksgiving Day and was given in memory of Mr. and Mrs. C. H. Turner, of Statesville, the donors being friends who did not want their identity revealed.

Mr. W. F. Thompson, of Cleveland, sent \$100.00 in memory of his wife, the late Mrs. Margaret Wilson Steele Thompson, who died on May 4, 1943.

From Mr. Lloyd Swindell, of Raleigh, came a \$500.00 check in memory of his wife, Ruth, who died March 16, 1943, and it was asked that this be used in furnishing musical equipment when the new church is constructed.

This is the biggest upswing in the church fund that has occurred in a period of 23 days, but these bond securities are expected to continue to climb as others are honored. It has grown from \$15,100.00 in bonds on April 1st to the December 9th amount of \$24,500, which is an increase of \$9,400.00 in such securities within a little over eight months.

"Father!" cried the son of the absent-minded professor. "there's a bug on the ceiling."

The professor, busy reading at the time, answered without raising his eyes from his book: "Step on it and leave me alone."

REGULAR
Clothing Outfits

- Whiteville 1st Aux.
- Wilmington 1st Aux., Circle 4, additional.

- Lincolnton Aux., spreads, pictures, towels, sheets, dishes, soap, wash cloths, pillow cases, dresser scarfs, blankets, dress

Constant Needs

Frequent requests reach Barium Springs as to what is needed, and this article in The Messenger can take care of some future requests of the same nature.

A constant and never-ending need is linens of all sorts - bed spreads, quilts, sheets, towels, tablecloths, table napkins, etc., but no pillow cases. As for the sizes of the spreads, quilts and sheets, no specific size need be named, for there are beds of all sizes for which such articles can be used, since the family age range is from two to 18 years.

Another big need here is canned good such as jellies, jams, fruits and preserves. The local canning plant takes care of surpluses, but very few of the four items mentioned above are handled. These are especially needed for the Saturday and Sunday night cottage suppers as sandwich spreads for the children.

Alumni Expect To Raise
(Continued From Page One)

13-13 football game between Kannapolis high and Barium.

Officers elected were Ed. Flowers, of Statesville, president, and Miss Helen Price, of North Wilkesboro, secretary-treasurer. They respectively succeed T. G. McConnell, of Newton, and Mrs. Ruth Freeman Jordan, of Charlotte. Mr. McConnell presided over the alumni meeting following lunch.

The new president was authorized to appoint a committee to work out details on the proposed alumni memorial fund and to contact all alumni of Barium Springs. The idea is to start the fund with contributions now, this to be added to from time to time until authorities at Barium Springs are ready to build the church. At the time of construction it will then be decided exactly for what the memorial fund will be used in the church and a designation given of individuals whose names will be on a suitable plaque.

While the alumni attendance was slim in comparison to those years before the war, yet it was better than expected. A few of the 179 boys and girls in the services were able to have furloughs to coincide with the Home-coming celebration and were here for the festivities.

Major James Johnston
(Continued From Page One)

captain) when as company commander he was given command of the Second Battalion whose commanding officer was missing in action. "Without hesitation," the citation states, "and with utter disregard for his personal safety, Captain Johnston passed through heavy artillery fire to recover a vehicle and reach the unit. Upon arrival, he reorganized the Battalion and with outstanding coolness and courage commanded throughout the entire engagement." He was given the rank of major shortly after this engagement.

The Legion of Merit award is given to members of the U. S. armed forces as award for exceptionally meritorious conduct in the performance of outstanding service.

- materials.
- Mrs. W. J. Blackburn, Greensboro, cards, Mebane Aux., Circle 4, 10 pillow cases; Circle 5, 1 quilt.
